* Your usage for the free tier is calculated each month across all regions and automatically applied to your bill - unused monthly usage will not roll over. Restrictions apply; See [offer terms](#) for more details.

** Rate tiers take into account your aggregate Data Transfer Out usage across Select AWS Services :

*** There is no charge for delete requests

Data transfer "in" and "out" refers to transfer into and out of an Amazon S3 Region.

There is no Data Transfer charge for data transferred within an Amazon S3 Region via a COPY request. Data transferred via a COPY request between Regions is charged at regular rates.*

There is no Data Transfer charge for data transferred between Amazon EC2 and Amazon S3 within the same Region or for data transferred between the Amazon EC2 Northern Virginia Region and the Amazon S3 US Standard Region.

Data transferred between Amazon EC2 and Amazon S3 across all other Regions (i.e. between the Amazon EC2 Northern California and Amazon S3 US Standard Regions) will be charged at Internet Data Transfer rates on both sides of the transfer.**

Storage and bandwidth size includes all file overhead.

(Amazon S3 is sold by Amazon Web Services LLC.)

Please Select a Payment Method

All your future AWS service charges will be billed to the payment method you select. Should you need to do so, you will be able to change to another payment method in the future.
